

## Trophy's

The Dusessoy, Williamson and Chesley winners are determined by formula based on regular season games played. To qualify a member must have participated in 27 regular season games (spared games not included). Average points per game played are calculated using the following formula ( $W=2, T=1, L=0$ ) divided by games played). The Buffalo Trophy is presented to the team in the Last Chance Bonspiel with the highest point total based on ends won and game results.

### Dusessoy Trophy

Presented to the four curlers who have the highest points per game.

### Williamson Trophy for B Group

Presented to the four curlers who have the 2<sup>nd</sup> highest points per game.

### Chesley Trophy

Presented to the four curlers who have the 3<sup>rd</sup> highest points per game.

### Buffalo Trophy

Presented to the Team that has the most points in the Last Chance Bonspiel. Points are assigned: 8 for a win, 2 for each end counted and 1 for a blank end.

## Foot notes

Prior to the start of the 2022-23 season a group (led by Murray Ballance with support from Barry Bentham and Ray Ingalls) completed a project to repair and refurbish the trophies.

### **Duessoy Trophy**

2 missing shields from this trophy in Sep 2022

2010 missing information not located in 2010 AGM minutes

1978 missing series was found in B. Hedlin's 1995 Historian's report

### **Williamson Trophy**

Names from 1974-1983 were on an earlier B Group Williamson Trophy, which was retired on Apr 18, 1983 and its whereabouts is unknown. This information was obtained from a 1995 report by the Pembina Oldtimers Recreational Association historian, Bob Hedlin, on the beginning of the Association.

The 2020 missing shield was replaced for the refurbished trophy

### **Chesley Trophy**

4 missing shields from this trophy in May 2022

3 replacement shields (2020, 2018 & 2004) were made for the refurbished trophy

Minutes for the 1991 AGM did not list the trophy award winners.

Information from the Pembina Oldtimers Recreational Association historian, Bob Hedlin, 1995 report on the beginning of the Association listed all known Trophy recipients to that point except for 1991 for this trophy.
